Dayspring Emmaus is Updating Our Contact and Email Systems!

At present, only 25% of the people for whom we have contact information are receiving Dayspring communications. Please help us become better connected with our community members by checking with everyone in your church and reunion group to make sure that they received this email. If there is someone in your church or reunion group that does not have an email address, please notify Kate Keith so that they may receive a copy of the Chatter Matters by U.S. Post. If you are currently receiving Chatter Matters by U.S. Post, and have the capability to receive email, we would appreciate your notifying Kate Keith to cancel your postal subscription in an effort to conserve community funds.

Angel Fund

The Angel Fund provides financial assistance to those who would like to be a pilgrim on the Walk to Emmaus but may not be able to afford it. It has also helped people who wanted to be first-time servants on the weekend, but did not have the means. Currently, our fund is empty and we are aware that some upcoming pilgrims may require support. If you are interested in donating to the Angel Fund, please contact Evelyn Hubbard, our Treasurer, at ehubbardatlaw@gmail.com or 912-863-3446. To request this assistance, send a letter to Pat High with the application.

Journey

(from Carolyn Gay)

The girls' Journey will be February 11 and the boys' February 18. We welcome worker applications from Dayspring; and, please plan on attending all "special events."

Chrysalis

(from Mike Koreckis)

There will be a boys' flight on February 25-28, 2010 as a make-up for the flight that was cancelled this past June due to lack of participants. Kenny Sellers is the lay director for this flight. We are in the process of working closer with the Dayspring Journey board as well. We will also hold flights in June 2010, girl's is third weekend, boy's is fourth weekend. We would love to have more participation from the Dayspring community for willing servants as well as participants, mainly because we do not know most of the Dayspring community.
