## Music for Emmaus (a CD)

Dear Justin,

Every so often, we are asked if there is a CD of Emmaus music that can be purchased. The Upper Room just posted the following article on their website:

*"Several years ago, Norman Ramsey attended the Walk to Emmaus and was influenced by his experience so much so that he wrote a song for each of the 15 talks. The International Walk to Emmaus Office has endorsed this CD and I think you'll agree with me that these songs convey the spirit of the Walk. These are beautiful songs that were written by a person who was influenced by James Taylor, Carole King, Jim Croce and Chicago. Each song will take you back to the talk and empower you to be active in your Fourth Day. If you want to learn more, see the song titles and order these CD's as agape..."* click on <http://www.upperroom.org/emmas/> and follow the prompts.
