A MESSAGE FROM THE LAY DIRECTORS

When I attended the walk nine years ago, I had no idea that I would be sitting here trying to compose a few words to describe what this wonderful community means to me. This Emmaus journey has surely been one of the biggest blessing of my life, from the personal spiritual renewal, to the wonderful friendships made, serving as a member of the board, and to be witness of lives changed by God. I really can't imagine life without this community of believers. People from all walks of life coming together for one purpose, to know God, and to make Him known. Is there anything better!

As walk #122 draws ever closer, I can't help but think of all the people of this community who have gone before us laying the foundation. What is that foundation? It's prayer! I ask that you all join with me in praying that the Lord will

use all of His servants to reveal to these pilgrims how much he loves them. Despite all of our short comings, if we will seek God, He will use His broken vessels to pour out His blessings of love and grace upon the pilgrims and the servants.

I want to thank the Dayspring board of directors and the members of this community for the trust they have placed in me and the members of this team. The support we have received is beyond measure, and I ask you all for your support on these upcoming weekends. If you can, please support the teams by attending sendoff, candlelight, and closing. It truly is a blessing to see what God does with the pilgrims in these 72 hours. From the nervous faces standing before us on Thursday night, to the expressing of God's work in a life on Sunday afternoon. Finally, I ask that you keep the pilgrims and team in your prayers. Sign up for the prayer vigil and receive the blessing of interceding on behalf of God's children.

"Come Holy Spirit, fill the hearts of Your faithful, and kindle in us the fire of Your love."

Yours in Christ,
Brian Deal

Table of Paul

As I sat around one of those tables in the conference room on my walk over 20 years ago, I never dreamed I would be the Lay Director for walk 123.

I spent a lot of my time at that table thinking "there's no way on God's green earth I'll ever get up there and give one of those talks!" Obviously God had other plans. Over the years since then God has called me out of my comfortable "boat" to walk the "rough seas" of writing

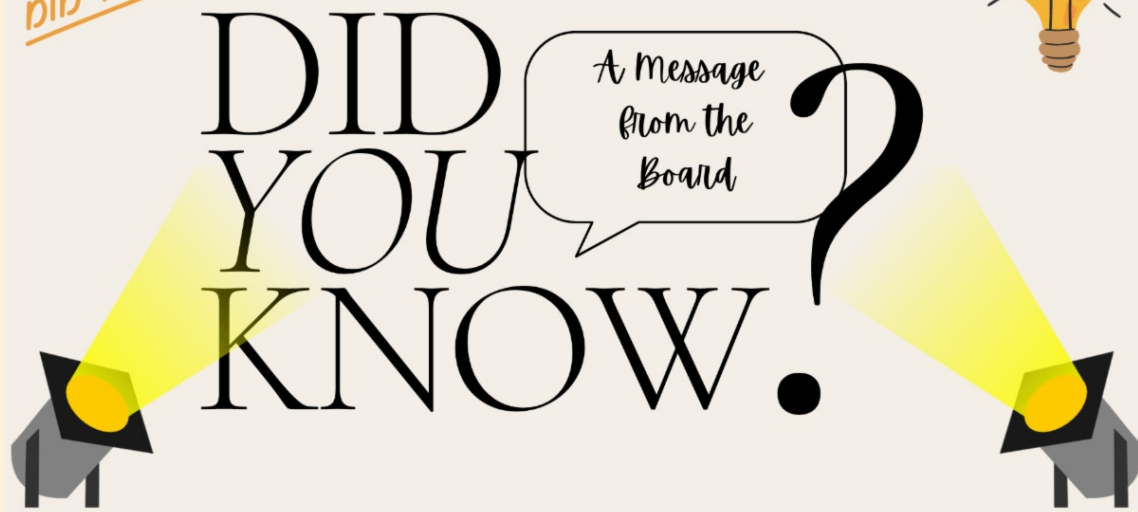

and giving talks, then being a Table Leader and now Lay Director. He also sent amazing Emmaus friends to encourage me and to remind me “He’s got this” and “He’ll work it out”. It was only by trusting and relying on Him that I was able to come up with the “story”, stand up in front of the conference room and speak or keep the table discussion going. Each and every time He’s shown up big! I was well aware that He did because on my own I never could have done any of those things.

For that reason I came into the planning for Walk 123 thinking and calling it “God’s Walk” never mine. He’s the one responsible for making sure it all turns out good. Praise the Lord! God has done an amazing job providing the people to be part of this walk – servants and pilgrims. The servants for this walk are not just those serving in the background and conference room. Each person who makes agape, prays during the prayer vigil, attends send-off, candlelight, or closing or sponsors a pilgrim is part of the DWTE 123 team. Thank you for answering God’s call to be His hands and feet and by doing so you are an answer to my prayers. Please continue to be in prayer with me for the pilgrims that will come and experience this awesome 3 days God is preparing for them and for the servants that we will remember “God’s got this”.

Decolores,
Sharon Durrence
