What is your favorite Hymn or praise song and why?

"It is Well with My Soul" the hymn or "It is Well with My Soul" The Contemporary praise song because...whatever my lot, my God can take it...whether its big as a mountain, or as small as a mole hill, and toss everything to the sea...making my journey with Him easier to travel.

In our church families, there are many obstacles to overcome. What do you find is the best and first strategy for overcoming any obstacle?

In my opinion, constant prayer and studying God's word together are always the first and best strategies any church family. When you seek God first, He provides the answer. It could be "yes", "no", or "wait"He does answer.

Where is your favorite place to pray and why?

My favorite place to pray is wherever I am

standing when prayer is needed.

In our daily lives, many responsibilities and people demand our time. How do you find the balance between what God wants with what the world wants of you?

I do not balance the demands of the Lord with the demands of the world. I serve the demands of the Lord only and He takes care of the rest.

Dayspring Walk to Emmaus #49

What is your favorite Bible verse? Why?

Jeremiah 29:11-13 because it is a verse that promises hope, but there are clear directions in verses 12-13 for us to be active in calling on HIM and seeking HIM with our whole hearts!

If you were to have a conversation with a person from the Bible other than Jesus, who would it be and what would you discuss or ask?

This question has always baffled me because I would want to question and talk to so many. I am going to have to say both Mary and Martha together because I would want to ask them what they would do differently both as individuals and as a pair when they were entertaining Jesus. I would also want to know what they took away from Him that day and how the potential changes they made affected their relationships and leadership roles moving forward.

Tell us a little bit about yourself in 10 words or less.

Jesus Follower, Wife, Mom, Smiles and Sass, True Crime Junkie, Music Lover and always Living the Dream.

One of the talks of the Emmaus weekend is "Changing Our World." How do you find that you are changing your world?

In the past year especially, I ask myself, "Is this glorifying God?" Whether it be at

church, with friends, at home or work. I believe asking this question will always allow you to change the world in whatever way He sees fit.
