Dayspring Walk To Emmaus

February

2016

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails.... And now these three remain: faith, hope, and love, but the greatest of these is love. 1 Corinthians 13....

"When it is sin versus grace, grace wins hands down. All sin can do is threaten us with death, and that's the end of it. Grace, because God is putting everything together again through the Messiah, invites us into life - a life that goes on and on and on, world without end."
Romans 5:20-21 MSG

Dayspring Walk to Emmaus #66
Table of John

In 10 words or less tell about yourself:

Child of God, husband, father, grandfather, great-grandfather, friend, very blessed, blind.

If you were to have a conversation with a person from the Bible other than Jesus, who would it be

and why?

I would love to talk to Noah because of his great faith. I would like to ask him a few questions and talk about these: "How did it feel to be the only devout man on earth when the world was laughing at you for building an ark when it had never rained?" "Did you think you would ever have children at 500 years of age?" "How was life in the ark with all those animals?" "What awe you must have felt when you saw the rainbow after the flood!"

What daily devotional book are you currently using and why do you like it?

Ann reads "Jesus Calling" to me. I like it because the message seems to speak to me personally every day.

Dayspring Walk To Emmaus #69

Table of Leah

Tell us about yourself in 10 words or less.

Jesus follower, wife, mother, "Mimi", creative, musical, good listener, compassionate, willing to work but can be a little scattered

If you were to have a conversation with a person from the Bible, other than Jesus, who would it be and why?

I would love to talk to David. He wrote about being in the depths of despair and also beautiful praises to God. No matter what situation he found himself in, he found his way back to God, asked for forgiveness, praised God and started again. He was not perfect but God loved him and forgave him when David turned to him. What a lesson to learn!

God has given us all special gifts and talents. What gift and/or talents will you bring to the Board of Directors?

I believe in the Emmaus "process." To think that a Walk in Georgia is like a Walk in Texas or Japan is incredible. I believe that I can keep that process before us so that we don't lose what makes it so special in seeing the love of Jesus.

Ricky Turner, Music

Dayspring Walk to Emmaus #56
Table of Luke

In 10 words or less describe yourself.

Married to Beth for 26 years, one daughter, Corley age 22, small business owner, enjoy fishing and hunting

What devotional book are you currently using and why do you like it?

I read the Upper Room devotions every morning. I like the different authors.

What advice do you have for a new family?

Keep God first. Treat your spouse as Christ treats the Church.

Freddie Brinson

Dayspring Walk to Emmaus #48
Table of Paul

God gives us all special gifts and talents. What gifts/talents do you bring to the Emmaus Board of Directors?

I feel that God has given me the wisdom to problem solve and to work with people in doing so.

If you were to have a conversation with a person from the Bible, who would it be and why?

I would love to have a conversation with "the coat of many colors" Joseph because of his ability to forgive no matter what circumstance he found himself in.
