# Chatter Matters

June 2013

Preparation for the Fall Emmaus Walks and the June Chrysalis Walks are in full swing! The Emmaus teams are in place. Help is still needed for our younger brothers and sisters in Christ. All of the details are below.

Please continue to bathe these events in prayer, we know that their success is dependent on our prayer! Also in this newsletter you will find information about sponsorship along with the necessary forms.

I hope that this newsletter finds you and your family enjoying all of the love, mercy and grace that Christ has offered to us!

### **WALK TO EMMAUS**

Mission: Empowering Leaders through Emmaus & Chrysalis to be the hands and feet of Christ

Vision: Fourth Day Leaders Embodying Jesus Christ

*While they were talking and discussing, Jesus himself came near and walked with them. - Luke 24:15*

Chrysalis is THIS month!

Want to know how you can help?

Chrysalis is just around the corner and will not be possible without the prayers and support of our Dayspring, Golden Isles and Coastal communities. The excitement is stirring as all aspects of the weekends are coming together! We are so excited to see how God is going to work in these girls lives! Remember your walk? These girls will be loved on and hopefully surrender their hearts to the Lord. How exciting!

We do need some help with filling in a few places on the girls and boys flight:  
Girls: Housing and Musician  
Boys: Musician

Please support these young people by participating in any of the following ways:

1. Prepare baked or table agape. To cover both girls and boys flights, prepare 100 pieces of table agape.
2. Sign up to pray. The 72 hour prayer vigils will be available soon. Please sign up to pray!.
3. Sponsor a young adult. There are spots available on each flight for young people, ages 15-18. The fee is \$75 and there are some scholarships available if needed. Applications are available on the Dayspring website:
4. Attend the Chrysalis events. Grab some friends and plan to attend Send-

off, Candlelight and Closing.

Thank you for your love, prayers and continued support of Chrysalis and Journey! If you need to contact us, email us at [dayspringchrysalisjourney@gmail.com](mailto:dayspringchrysalisjourney@gmail.com).

### Sponsorship- What are your responsibilities as a Sponsor?

It may seem simple at first glance but it is a serious commitment with many responsibilities months before, the weekend of, and for some time after The Walk.

1. Spend concentrated time in prayer to discern whom Gods wants you to sponsor. Take a list of names with you in prayer, Leave them with God, Let God reveal a name, May take a long time before you hear God's response, Doesn't mean only one on the list will attend a walk - God's timing is of the utmost importance, It is not your responsibility for getting everyone you know on a Walk to Emmaus.
2. Continue to spend time in prayer. Devote prayer time to your potential pilgrim and yourself. Include requests: For discernment as to the best time to discuss The Walk to Emmaus, Openness on the part of your prospective pilgrim, A humble spirit for you for the presentation, A hope that God would guide your discussion time.
3. Make an appointment to meet the potential pilgrim. Before leaving for the meeting, pray that God will give you calmness, assurance, and perseverance. Tell about your experience with The Walk and how it has helped you, Answer any and all questions, If you don't know the answer, write them down and get back to them. A good resource is a copy of the book What is Emmaus?
4. Give your prospect an application. Explain everything on the application, Answer any question, Request that they prayerfully consider the offer to attend, Ask the prospect for a time to check back on their response, While awaiting the response, pray for the prospect. Being turned down is not cause for disappointment or discouragement - reminder of God's time
5. Obtain the application. Make sure all information is complete, including the pilgrim's pastor's signature, Fill in the sponsor's portion - include anything the

Team members would need to know, Submit the application with the appropriate fee, Remind your pilgrim to reserve the dates for the 72-hour experience.

Once their application has been accepted and you have received a confirmation letter there are still many steps to be completed. Please [click here](#) if you are interested in more info and some Frequently Asked Questions.

During our last training meetings we had the opportunity to volunteer with members of Brooklet UMC at the monthly soup kitchen held at Statesboro FUMC. Below are excerpts of a thank you note that we received from Sara Melford.

"Hi All,

Thanks for a great soup kitchen day. I don't suspect we have the actual numbers of meals served but I am sure the word spread; I also hope that we were able to contain the number, at least somewhat, by being strict about one take-out meal per person present and asking those who ate in to wait until near 1:00 to get a take-out meal so that we could be sure everyone was fed.

What impressed me the most about this soup kitchen was that I saw more "mingling" between Emmaus and the soup kitchen crowd than I've seen in the past. I witnessed some real conversation between the two groups and isn't that fellowship in the vein of what Christ so often did when he supped with the people? I hope the Emmaus people felt the gratitude that the soup kitchen crowd felt for this meal and fellowship. (I know the soup kitchen people I sat with for a while were very impressed that they were talking with people from Nevils, Portal, and Metter.)

And the soup kitchen people also truly appreciated an exceptional meal. I heard people talking about that it was the best, or at least second best, chicken they had tasted. And you only had to look at many of the dessert plates to see how appreciated the homemade desserts were; I believe that this is the only soup kitchen that has such great variety and unrestricted access to the desserts and the people love it. I know that these soup kitchens are expensive but they are also very special. (Did you notice the huge Amen at the end of Grace?)

As they did this time, they can make such a difference in this meal. I hope they found some of the deep seated faith that so many of those who come regularly to the soup kitchen have and are so willing to share. (This soup kitchen was a special opportunity for just that.) The soup kitchen is so much more than providing a meal for those in need and the fellowship that we have been encouraging is helping make it special.

Arnold's count of 203 soup kitchen people suggests that the crowd was bigger than we might expect for a first Saturday and also suggests the word did get out just like it does for bundles Saturdays.

Thanks again for the great soup kitchen and have a good week,  
Sara"
