### Board Member Notes

Several years ago I attended a Bible Study, "Having a Mary Heart in a Martha World" by Joanna Weaver. Taking a close look at the two sisters and comparing myself to each I saw many similarities. I wanted to be Mary. I longed for a deeper, more personal relationship with my Father. I desired to serve Him. I struggled with balancing everything I was responsible for and with feelings of inadequacy. I struggled with was I enough-doing enough, giving enough, serving enough, loving enough? I have always tried to make my

walk match my talk. To let the proof be in my actions. Matthew 17:6 says "By your works you will be known." I know that good works will not secure my heavenly home but the works I do are an indicator of my values and beliefs. The actions of my hands and feet demonstrate my heart for Jesus

I felt a void – a distance between me and the Father. I had allowed life to get in the way. Being busy with life I had put God on a back burner and was attending to immediate fires, or so I thought. He desired that our relationship grow and He was patiently waiting for me to move closer and grow spiritually. Attending the Walk to Emmaus was a step in the right direction to closing the void and spending time with God, reading my Bible and praying, assisted in developing my intimate relationship. Participating in the activities that are available through the Emmaus Community offers many opportunities to serve. My fourth days have found me eager to serve and looking for opportunities as they present themselves to be the hands and feet of Jesus. Working a Walk is especially rewarding. Serving on the Board as the Registrar is another way I serve.

As our Emmaus community rebounds from the Pandemic Days there is much work to be done and something/a job for everyone. We need those willing to serve in various capacities in the Conference Room and behind the scenes, setting up before the Walk and breaking down on Sunday afternoon after the Walk, Sponsors for Pilgrims, supplying table agape and baked agape, praying for the Walk-servants and pilgrims. Attending Gatherings affords us the opportunity to minister to others and be ministered to. We all need Christian fellowship. Writing a note to a pilgrim or a brother or sister in Christ is another way you may serve. Before the Pandemic I was having a conversation with a member of the Emmaus community and they asked me if I thought we had "saturated the field"? I do not believe we have reached all that we need to in sponsoring pilgrims. We each need to look around and see who do we know that needs to grow their relationship with Christ. In the people that you and I come into contact with daily through church activities, Sunday school, bible studies, prayer groups, family, friends, and neighbors there are pilgrim possibilities. Who will you sponsor?
