Message from the Lay Directors

It's here...The Men's Walk to Emmaus #116! I'm excited for the pilgrims and everyone involved with this walk. What a blessing it is to be a part of the DWTE community and to be serving the Lord. God definitely opened new doors for me on my walk and I'm very excited to watch God's plan unfold on this walk!

It's hard to describe the joy I get being at the campground, serving on the walks and watching God move in so many ways with the Pilgrims, the people serving, people praying, making agape, baking treats (my favorite), and with everyone involved. God's love has been poured out on all the planning and preparation for Walk #116. Although I have worried and on several occasions thought I was missing something. God shows me that He is with me all the time and the only job I have is to serve and love.

Please continue to pray for the pilgrims, the team members and their families. I would like to ask you to please come out and support the Pilgrims and team at sendoff, candlelight and closing. We all remember what an impact those three events, especially candlelight, had on you and your Walk to Emmaus. Serving Emmaus has been one of the best decisions of my life. The true love of God and the friends made in this community will be with me for the rest of my life. I am very excited to be the Lay Director on the Men's Fall walk and looking forward to all the blessings God will display on these upcoming walks. I would thank everyone that has called, texted and emailed me with advice and words of encouragement through this experience. Thank you Joey Harvey for answering all my calls and text. Thanks to every willing servant on both walks and the Emmaus community. I love each and every one of you.

What a tremendous blessing it is to be a part of the Dayspring Emmaus community since my walk weekend in 2014. Tatnall Campground is my favorite place to be. Although it shouldn't surprise me, I am constantly amazed by the way God arranges our weekends to happen exactly as they should. We just have to show up, pay attention and get out of the way!!

From Building teams, working around time constraints, any praying away storm cloud for our most special evenings, God blows me away every time! The family and friends I have gained through serving on weekends with Emmaus, Chrysalis and Journey are so special to me. Having time to share authentically with fellow Christians and learn to love on each other is invaluable. I feel blessed and highly favored to be a part of such a Jesus-loving community! I'm grateful for many blessings that have come from our Emmaus community, but by far the best blessing is meeting and marrying the love of my life. God is so good! I am honored to serve as Lay Director of Walk #117!
